

# Eagle Mountain Middle - Proposed Catchment Area Announcement

**November 16, 2017**

As a part of the annual district-wide catchment boundary review, catchment areas and Programs of Choice needing alterations for the 2018-2019 school year have been identified. It was determined that action is required in a few areas including the Eagle Mountain Middle catchment area to manage enrolment.

These changes include adjusting three middle school catchment areas. It is proposed to have the existing Option Area (Eagle Mountain Middle/Moody Middle) in the Pleasantside neighbourhood change to the Moody Middle catchment area only. It is also proposed to change part of the eastern portion of the Eagle Mountain Middle catchment area, north of David Avenue, to the Summit Middle catchment area.

Details regarding the proposed catchment area changes for Eagle Mountain Middle will be shared at the Catchment Area Information Session for Regular Programs.
