

The background features a dark blue gradient with a subtle starry pattern. On the left side, there are several overlapping circular elements: a large scale with numerical markings from 140 to 260, and several smaller circles with partial arcs and arrows, suggesting a technical or scientific theme.

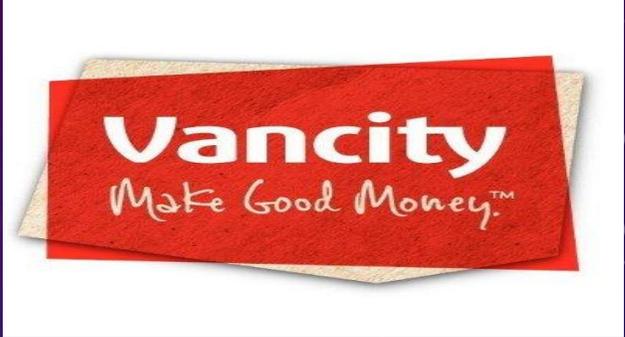

MY WORK EXPERIENCE

BY STEPHANIE PAPILO

INTRODUCTION

Hi my name is Stephanie Papillo I am in grade 11 at Charles Best Secondary school!

Last year I completed a 2 week work experience at the Boathouse (clothing store) and Vancity bank

JOBS AT THE BOATHOUSE

Folded clothing looks

professional.

At the boathouse I enjoyed folding the clothes and taking the security tags off of the clothing items. I learned how to fold all different clothing items properly. I was also responsible for making sure the Sizes were in correct order on the rack.

JOBS AT VANCITY

I shadowed multiple positions at the bank so I could see what everyone did. While working at vancity I would organize files in the back room. I also learned how to use the laminating machine and did some laminating for them
