Applications are now being accepted for the 12<sup>th</sup> Annual Coquitlam RCMP Junior Mountie Police Academy. This academy is offered at no charge for the residents of Coquitlam, Port Coquitlam, Port Moody, kwikwəłəm First Nation, Anmore and Belcarra.

**PLEASE NOTE:** This program contains largely the same physical content every year. If you have already attended the camp as a cadet, you are welcome to apply to attend again. Still, please understand that you will be having a very similar learning experience.

The Junior Mountie Police Academy will give the applicants a true understanding of the basic physical and educational components of Police Officer basic training for new recruits. The educational component, learned in the classroom, will test the applicant's knowledge of police equipment, skills, and different public safety units. The practical component of the program will test the applicant's strength, endurance, and teamwork skills.

If there are any personal or parental/guardian concerns that entering this program may exceed the physical limits of the applicant, it is recommended that the applicant undergo a medical examination by a doctor prior to applying for this program.
