是對所有普通新移民家庭的講座

A seminar for all typical new immigrant families.

我們不是僅僅對自閉症兒童家庭講座。聽完這個講座之後，新來的您可能會發現，這個方面的資源是您之後愛上加拿大的原因之一。因為我們在國內育兒的焦慮會在這個講座當中被降低。我鼓勵所有中文家長都來聽一聽。

We are not just a seminar for families with autistic children. After listening to this seminar, as a newcomer, you may find that the resources available in this area are one of the reasons you will later fall in love with Canada, because the parenting anxiety will be reduced during this session. Encouraging all Chinese parents to come and learn information.

有診斷沒有診斷都需要學習最近更新的資訊

Whether you have a diagnosis or not, everyone needs to learn the latest updated information.

Financé par :

Where there is a need,
there must be support.
We are with you.

Sometimes, you need to
see a support system to
realize your own needs...
are simply needs, not
disadvantage.
