

# SD43 Capital Projects Update – February 2017

Learning for a Lifetime

Serving the communities of Anmore, Belcarra, Coquitlam, Port Coquitlam and Port Moody

| Name                                  | Stage           | Update/Milestone   |
|---------------------------------------|-----------------|--|
| École Banting Middle                  | Construction    | The contract has been awarded. Construction of the new school will begin soon.   |
| Blakeburn Elementary                  | Near Completion | This four classroom addition is near completion and is occupied by staff and students.   |
| Centennial Secondary                  | Construction    | The Technical Education portion of the building was opened for classes in September. The finishing work in the remainder of the main building is occurring.  |
| Minnekhada Middle                     | Permitting      | The Ministry has just announced the funding and approval for the seismic replacement of the school. The design is nearly complete and municipal permits will be applied for in the near future.            |
| École Moody Middle School of the Arts | Construction    | Construction is well underway and progressing quickly. For more updates, please see <a href="#">the school website</a> .   |
| Smiling Creek Elementary              | Construction    | Construction began in the summer of 2016. The wall panels are being poured and, weather permitting, the panels will be assembled later in February. The school is projected to be open in September, 2018. |
| École Glen Elementary                 | Construction    | This four classroom addition is currently under construction and the contractors are working on the framing. The addition is projected to be open in the Fall of 2017.                                     |
