GUIDELINES FOR STAKEHOLDER FEEDBACK ON THE 2022-23 BUDGET

These guidelines are for the *Stakeholder Budget Feedback Session* on *April 19, 2022*.

WELCOME & OVERVIEW

- The Board values input feedback from individuals and groups and the budget input session has been planned to make people feel as comfortable as possible.
- To ensure that the business of governing education takes place as smoothly as possible and that all viewpoints are heard, Board meetings follow structured rules of order. These guidelines have been prepared specifically for stakeholders interested in providing input for the 2022-23 budget.

PREPARING YOUR PRESENTATION

- We would like to remind you that these are public meetings, with the potential for media coverage and other members of the public in attendance, who may receive a copy of your presentation and may report on the proceedings.
- Presentations are to be directed to the corporate Board, not individual Trustees. It is requested that stakeholders avoid written or verbal comments that negatively reflect on any individual.
- When submitting your request to provide input to budgetfeedback@sd43.bc.ca you are asked to provide the following information:
 - name, title and email of all presenters (required);
 - which stakeholder group you are representing;
 - written statement of the budget matter you wish to present feedback or input on with clear and direct connections to the goals and objectives in *Directions 2025*, the Board's vision document (required);
 - any attachments you may wish the Board to receive to support your feedback (optional)
- The Board would appreciate receiving an advance copy of your presentation, which can be provided through to budgetfeedback@sd43.bc.ca.
- Due to meeting time constraints, PowerPoints and/or videos cannot be accepted as part of your presentation.

- To permit the Board to hear all input in a timely manner, stakeholders are asked to keep presentations, to no more than five (5) minutes.
- Stakeholders should be prepared to answer questions from Trustees wishing to learn more about your input.
- Stakeholders will be placed on the agenda to provide input only after the above guidelines have been met.
