GOAL CLOTHING DRIVE & GIVE AWAY: A TRADITION OF GIVING BACK TO THE COMMUNITY

For more than a decade, the students and staff at GOAL School have been giving back to the community. Twice each school year, the school collects gently used clothing and footwear to redistribute to families in need. This year, the first GOAL Clothing Drive of the 2019/2020 school year took place on November 26th. In the days leading up to the event, GOAL students were hard at work, sorting and organizing clothing with the additional assistance of some CABE student volunteers. As you can see from the photo above, thanks to the generosity of many donors, there was a wide variety of clothing items for people to choose from.

We want to thank everyone who contributed to and attended the clothing drive. We are especially appreciative of all the SD43 staff who assisted students and families from all over the district in getting there on November 26th. Many people were able to walk away from the event with bags full of clothing, shoes and winter jackets for their families. We would also like to thank the staff at Vanier Centre for opening their doors and sharing their space as the site for this event.

The second clothing drive and give away will take place in the Spring. Look for the date in our February newsletter.

Principal Seddon's Message

Season's greetings to all of the friends and family of CAFE/GOAL! We are just days away from taking a hard earned winter break, and we are wishing all of our students, their families and our community supporters the very best of the holiday. Remember when we used to say the year 2020 like it was some time warp in the future? Well, here it is!!

Our new year is indeed 2020, with promises of good surprises and new experiences for everyone. Think of all the changes just in the past 10 years – medical breakthroughs, gains in understanding of brain research and trauma treatment, and how to make a computer the size of a stick of gum!! All remarkable, as are our students of CAFE and GOAL. Thank you for sharing your children with us – we so enjoy them and are so honoured to be a part of their lives each day. We wish all of our families the best of the season!

Winter Weather Ahead!

Schools are not routinely closed due to snow or other inclement weather conditions. All schools in School District 43 (Coquitlam) will remain OPEN, if at all possible, during winter weather, including snowfall.

However, on occasion, a district-wide or partial-district closure is required due to extreme weather. Partial-district closures affecting individual schools may occur due to the very different geography within our school district. If there is a partial-district closure affected schools will be identified.

The decision on schools remaining open or needing to be closed, because of extreme weather, occurs before 6:30 a.m. so that families can plan and make alternate arrangements.

Any district-wide or partial-district closure will be decided and communicated by 6:30 a.m. via the School District 43 website www.sd43.bc.ca and CKNW AM 980 radio, CKWX 1130 radio and CBC (690) radio.

While the District tries to make the best decision with the information available, the weather does change quickly. Therefore, when schools remain open, decisions to stay at home during challenging weather conditions should be made by each family.

Extreme weather can also impact transit. Transit schedules may face significant changes or cancellations due to the weather conditions. Parents seeking information on transit schedules need to consult the Translink website:

<https://www.translink.ca/>

We encourage families to continuously check the School District 43 website for updates and changes:

SCHOOL LUNCHES AT CABE

We have the fabulous Chef Keith whipping up amazing hot lunches each day at CABE. Lunches are available for only \$3.00! Many parents and students like to prepay for a certain amount of lunches as we do not have the ability to accept credit or debit in the lunch kitchen. This can be done with cash or cheque (payable to CABE) and handed in to Sandy Lackner in the office.

Alternatively, you may register with the “Kev School Cash Online” system:
