Hi Alderson Families,

Our first **Family Dance Night** was a fantastic success – it was so great to see so many of you come out for that it was so much fun!! Thanks again to our PAC for organizing this event for our community.

This week we have our final **Connect to Kindergarten Event**. It was so great to meet each of our new students who will be entering Kindergarten in September. Next week on Thursday morning we will have **class photos** and our Panoramic Photo (weather permitting).

Please see the **School Carnival** information in this newsletter and save the date! This is a cherished school tradition which will be happening on **Friday, May 23, 2025**. We hope to see you there!!

Class Placement Process – 2025-26 school year

In June of each school year, our staff carefully considers how we will organize our classrooms for the upcoming school year. This is a complex process that our teaching staff puts a great deal of thought into. Our considerations include:

- **Classroom Environment:** We evaluate the type of classroom environment in which each child will thrive.
- **Classmates:** We consider which classmates we believe each child will work best with.
- **Friend Group Expansion:** We aim to support each child in expanding their friend group. Whenever possible, we strive to provide new experiences each year, allowing them to interact with different peer group configurations. We work to ensure that each of our students has some familiar faces in their next classroom. We avoid keeping students in classrooms with their “best friend” as this can lead to the formation of “cliques” and a narrowing of their friend group.
- **Leadership Development:** Optimally, we try to offer opportunities for children to experience being the older in a combined-aged grouping some years to develop their leadership skills, and the younger other years to gain that experience as well.

Occasionally, parents send in requests to us. **Parent requests will be considered if they are received prior to the end of May**. If you wish to make a request, please ensure it follows the following guidelines, and that you email it directly to the Principal at astrang@sd43.bc.ca:

- **Learning Environment:** Parent requests should not identify a specific teacher. Instead, please describe the type of learning environment you believe your child will do best in.
- **Friend Requests:** Please avoid requesting specific friends for your child's class. When you do this, you are also making a request for somebody else's child.

Please understand that parent requests will be considered within our class placement process, but that granting parent requests is not always possible.

Family Appreciation May 27th at 1:45 pm

This is a special event to recognize the contributions that parents make to Alderson and to their child's education. In honor of our PAC and our families, our students will be showcasing their learning with a butterfly theme! Refreshments will be served 😊
