

January 30th, 2026

Hello again and welcome back to rainy Fridays, apparently!

At long last, January makes its way off-stage this weekend, and we will enter February with it's lengthening days, hopefully brighter skies, and the full swing of our active school community.

Our after-school programs, with **Basketball** and **Pop Song and Dance**, are off to a great start, with students making new connections with peers and learning new skills. And our intermediate **Basketball Team** has put its early practices to use in their first set of games, hosting this week, and then visiting Moody Elementary in their new gym next Thursday. Teachers reconnected with **professional development** this week and synthesized the ongoing buddies project of our lanterns to celebrate the **Luner New Year**, and the Year of the Horse. We have continued to celebrate our community's Social and Emotional Learning this year with another recognition gathering that continues to show the remarkable bonds and camaraderie among all of our students.

Looking ahead, we will be welcoming a student-teacher from Simon Fraser University to Division One. Beginning on Monday, our kindergartners will mark 100 days of school in February, and our intermediate students will have visitors from the Social Justice 12 class at Centennial to discuss Equity and Inclusion in the next few weeks. Random Acts of Kindness week is approaching, and so are the Winter Olympics. We will be Jumping Rope for Heart near the end of the month and will be staring down Spring Break before we know it.

In our continued conversations about Music, the **Anmore Songs Project** is happy to share its [Community Music Survey](#) with residents and friends of our local communities of Anmore and Belcarra. We are looking for you, your friends and neighbors, and maybe those who don't live within the Villages, but who have a lasting connection to this place, to share a little about their listening habits, connections with music, and how this musical life overlaps with life in Anmore and Belcarra. Your responses are anonymous, but there is an opportunity for you to leave contact information if you would like to be involved with the next steps of our endeavour.

As the spring unfolds, we are excited to use this information and the stories of our community to guide us in composing our own music to reflect the life and times of Anmore Elementary, and look forward to hearing from you!

Happy Friday, in the meantime,

Bryan Jackson
Principal | Anmore Elementary
