

April 9th, 2026

Hello and Happy Friday, everyone,

What a gift and sign of school days to come the weather has been this week! Bright blue skies against the green of the forest, dust rising from soccer games and ecstatic runs through the forest, dewy mornings and long evenings: it is really all starting to happen and allude to the culminations of year end – and the planning for next year – that fill the months of April, May and June.

The first of these culminations maybe is our last day of the term with Ms. Sarah Hassan, a student teacher from Simon Fraser University who has been working with Ms. Cullum and Division One this spring. Along with Ms. Ting Zheng, who completed her practicum with Ms. Akselin and Division Three back in the fall, and a group of student teachers who visited Anmore for an exploration day in November, we have been fortunate to share in the initial journeys of these new educators. Along with sharing our learning community as an initiation and education in the practice of teaching, student teachers provide fresh eyes on a lot of what is emerging in education from the universities as well as recent graduates of the K-12 system.

A graduate of Coquitlam schools herself, Ms. Hassan has been an integral member of the Anmore community since her arrival back in January, helping lead Division One through its daily learning with calm and good humour, and fostering meaningful relationships with staff and students alike. She will be returning to Simon Fraser University over the summer to complete coursework toward her Bachelor's of Education, and then looking toward her certifying practicum experience in the fall. We want to thank Ms. Hassan for all of her work this spring and wish her best of luck with the learning that lies ahead!

Next week, we will be hosting our Terry Fox Run and are excited to share that we will be joined by Terry Fox's brother Fred in an assembly at 11am on Thursday. Families are invited to join us for this event and help raise funds to continue Terry's journey and fight against cancer. (You can donate online to our [school's fundraising page here](#), as well!)

Please take a look at the calendar on the next page as there is a lot happening these next two weeks: Como Lake Relays, Scholastic Book Fair, and more!

Happy Friday, in the meantime!

Bryan Jackson
Principal | Anmore Elementary

Reminders & Notes

- **Momentum Movement Academy:** As you would have seen through a recent PAC survey, we will be offering a school-wide Parkour experience in May. An 'in-school field trip' of sorts, classes will each have opportunities to enhance their physical literacy through this three-day program in the Anmore gym. You will see the item on School Cash Online shortly with a cost of \$25, along with a consent form. Please contact me if you have concerns about this cost; while these activities are optional, we do not want anyone to be left out for financial concerns.
