

Anmore Elementary

April 23rd, 2026

This week, we recognized Tomas' contributions to our Terry Fox Run fundraising campaign by inviting him to act as Principal of Anmore Elementary for the day. Part of his responsibilities involved reflecting on his work to lead the school on Tuesday. Congratulations to Tomas and all of Anmore Elementary, who together raised more than \$2000 to help cancer research!

Principal's Name: TOMAS

The Big News: We raised over **\$2000** for the Terry Fox Foundation!

1. The Announcement: I went on the announcements and told everyone they could choose a prize. I felt happy (happy / nervous / excited) to talk on the microphone.

2. The Playground Check: Before recess, I checked the school grounds for safety hazards. I found: NONE

3. The Big Meeting: I had a meeting with the Superintendent, Ms. Tambellini, and the Assistant Superintendent, Mr. Clarke. We talked about: being a principle

4. The Office Work: My favorite office job was:
 Signing Papers Opening Mail Photocopying Helping Students Making Decisions

5. The Winning Prize: The students of Anmore picked outdoor as their prize! (The options were: Extra Lunch Time / Outdoor PE / Singalong)

6. My Principal Rule: If I were the Principal every day, my first rule would be do what

Signed, TP > you want
Principal Tomas

Reminders & Notes

- **WARM WEATHER APPROACHES:** Yay! But also, please be sure students are bringing water bottles, and drinking enough as they play in the heat :)
- **Track and Field has begun for Grades 3, 4, & 5 Students:** Be sure students are bringing running shoes and appropriate athleticwear to school.
- **Emergency Release Approaching:** On May 14th, we will be conducting an Emergency Release Drill. The drill will begin at 2pm, and more information will be coming shortly!

Thriving in our dopamine-driven world: What Parents and Kids Need to Know

Join us for an interactive session to learn about the latest research on how smartphones, social media, and AI affect brain development and mental health — and how we can help ourselves and our kids thrive in our ever-changing digital world.

Monday May 4th 2026
6:30-8:30pm @ EMM Library

Guest Speaker: Trish Wagner

Trish Wagner, mother of three, holds a Master's degree in Counseling with a focus in substance use and behavioral health, and has spent 38 years as a high school teacher. Her passion lies in helping students, educators, and parents better understand the roots of the current youth mental health crisis — including the biopsychosocial effects of technology dependency. Trish is dedicated to providing practical resources that empower staff, students, and families to navigate the increasingly complex landscape of our schools and communities.
