Hi everyone, and Happy Friday!

This week's *Weekender* was largely composed in a school bus on Highway 99, as Division Two travelled back from the Sea to Sky Gondola in Squamish! Such is the busyness of this time of year. It has been an incredibly eventful week at Anmore, with so much to celebrate and appreciate across our school community.

First, our athletes made a mighty showing at Tuesday's district track meet at Percy Perry Stadium. From running and jumping to throwing events, our students took home numerous ribbons, overcame personal challenges, and represented us beautifully. We kept the high energy going back in the gym on Wednesday morning, coming together as a school to celebrate the team's hard work. A massive thank you to Ms. Saloustros for her tremendous organization and leadership, and to the entirety of the Anmore staff who stepped up to coach and support our athletes at various points throughout the season. No small amount of the team's success can also be credited to our wonderful parents who drove, came to cheer, helped marshal athletes, and of course, provide the food-fuel for so many well-spent calories. Truly, a school-wide effort that we can all be proud of!

We rounded out the week with the trip to the mountains, and were also thrilled to welcome back our SFU student teacher, Ms. Hassan, along with a cohort of her classmates from the teacher-education program. They led Divisions 4 and 5 in a fantastic land-based learning activity, identifying local plants and creating art inspired by our local flora.

Thank you to everyone for making this busy season so rewarding!

Warmly,

Bryan Jackson
