Hi everyone, and Happy Halloween!

First, I want to say a huge thank you to the Anmore PAC and parents who helped stage this year's Halloween Dance! From the décor to the food, DJ Rock n' Beau, and especially the energy and enthusiasm you all shared with your children, the night was an amazing success on every front. My own kids were buzzing through the week, dancing around the house, singing songs, and wondering when the next Anmore party would be, so thank you again for all that went into such a fun night for the whole community.

It continued to be a busy week here, with festivities for Halloween, like this morning's Costume Parade (thank you, Ms. Kurita for organizing us!), and yesterday's assembly to recognize students who demonstrated different facets of the Social Emotional Learning competencies during the month of October (thank you to Ms. Cullum for leading this initiative!). These awards recognize students' **Positive Mindsets, Perseverance, Kindness, Helping Hands, Wise Choices, Bucket Filling** efforts, and **Growth Mindsets**.

SOCIAL-EMOTIONAL LEARNING

Working from our [Action Plan for Learning](#), we will be recognizing students each month with the intention to establish more common language around our collective Social and Emotional wellness. Going forward, we are encouraging students to set goals for themselves to demonstrate these traits and are hopeful that these monthly celebrations provide fun and inclusive motivation. If your child came home with a certificate yesterday and you would like a photo of the presentation, please let me know and I would be happy to share.

The other night, driving home in the darkness after the dance, I marveled at the warm glow created in our gym, and the closeness of the village out here behind the hill. No matter the weather, I'm sure the same spirit of togetherness, friends and family will be out in force tonight, and with some luck we'll be able to count our candy while celebrating a Blue Jays World Series victory!

Wishing you a restful weekend, as ever,

Bryan Jackson

## Reminders

- **Daylight Savings Time** ends this weekend! Set your non-Smart clocks and watches back an hour on Saturday night.
- With the atmospheric rivers lining up to feed our forests with rain, please be sure your children are coming to school with **rain gear** and **spare clothes** (especially socks) as we will continue to be outside for recesses and lunches.

**Sasamat Fire Department Presents**  
**CPR Awareness Class**

taught by a Heart and Stroke Foundation Instructor

---

This is an interactive 1 hour CPR awareness class that will focus on the importance of early activation of the emergency response system (calling 9-1-1), initiating hands-only CPR, and the use of an AED (Automated External Defibrillator). The goal is to help people feel comfortable to get involved if someone is showing signs of cardiac arrest by getting hands-on experience with CPR and using an AED.
