This treatment was created for men. Start with a powerful cleanse and deep skin exfoliation. A soothing neck and beard treatment will reduce redness, irritation and ingrown hairs in problematic areas. In the meantime, we'll exfoliate and detoxify your feet with powerful alpha hydroxy acids and peppermint infused foot lotion to prevent locker-room floor mania.

Certificate valid for use in any of the Great Vancouver area locations (Suter Brook, Metrotown, Park Royal, Yaletown, Kitsilano, South Granville, Lower Lonsdale, Morgan Crossing).
