

We Love Canada composed by Baker Drive Choir

1. We love our mountains, lakes and trees,
Our wilderness, valleys and our seas.
We care about our beautiful land
From plains to forests to gleaming white sand.

Chorus:

We love Canada,
We adore our land,
Where we are free to be ourselves,
Where we give and give some more,
A land where all people are equal,
United in one country,
Peaceful, safe and happy.

2. We love our famous Canadian sports
From the ski resort to the lacrosse court.
Most of all we love the Vancouver Canucks,
'Spec'ly when they shoot the winning pucks.

Chorus

3. We love to eat Canadian food
That gives us all a calm, satisfied mood.
Canadian bacon and maple syrup,
Tim Bits and poutine are always a hit.

Chorus

Semi-chorus 1:

4. We love our native animals,
Our beavers and polar bears are a marvel.

Semi-chorus 2:

With moose, wolves and Canada geese,
We all live in harmony and perfect peace.

Chorus:

Last line is repeated with a varied melody and harmony on the last 3 notes.
