

Greetings Banting Families,

We originally had The White Hatter (on-line safety) booked For Friday Dec. 02. Parents would be able to sit in on this remotely. We have a change of plans.

I have been trying to book a FANTASTIC group for a long time, and they are able to present to us on the same day. On Friday Dec.02, 9-10:30, GET REAL will be presenting an Anti-Black Racism Workshop with the entire school. This will be done via ZOOM into each class. Unfortunately, as there is some direct student involvement, parents will not be able to attend. I have seen the presentation, and it is superb. I have included an attachment about the company and presentation.

The White Hatter presentation will now be on Friday January 06 from 9-10:30. A link will be sent out enabling parents to attend.

All presentations are on the school calendar.

We will be sending an announcement out on Monday about Ski and snowboard.

Bill
