

Birchland Parent Advisory Council

February 2018

Attn: Parents/Friends of Birchland Students

As I'm sure you are all aware the PAC has been trying to raise funds to replace the outdated and non-functioning sound equipment at the School. The Christmas Concert was a huge success and helped us raise over \$1200 dollars towards the purchase of this equipment but we still need your help as the School has received a quote of between five to six thousand dollars for the replacement cost.

Who doesn't love Tupperware? It's completely useful and practically lasts forever. It is also a great way to raise the needed funds for the sound equipment as 40% of the profits are returned to the PAC. That's a huge amount. Save yourself some time and money as the shipping cost will also be covered by the PAC.

This fundraiser will run until midnight on February 20th, 2018. All cheques can be made out to the Birchland Parent Advisory Council. Orders will take approximately 4-6 weeks to arrive so it'll be just in time for Mother's Day. As an added incentive, our Fundraising Coordinator, Ms. Idlington, will also be donating a gift to the family that brings in the most sales. So please share this fundraiser with your friends and family.

As a small school we realize we ask a lot of our limited Parent Community and we thank each and every one of you for every contribution you have made over the years. If you have any questions please feel free to contact any member of the PAC through our email: birchlandparentadvisorycouncil@gmail.com.

Regards,

Mrs. Goncalves
