NEWSLETTER # 7

March 1, 2024

Dear Parents and Students:

Before I provide a brief update on the school happenings, I would like to inform our community about a few staffing changes that will take place at Bramblewood over the next few weeks. To begin, we would like to welcome Mrs. Mehreen Saleem who will be covering in Learning Services for Mrs. Ashleigh Goldhawke while on leave. It is with mixed emotion that we say goodbye to Mrs. Leah Wright, our amazing Administrative Assistant, who has been "the voice of Bramblewood" and so much more! Mrs. Wright will be leaving the district to return to a job in radio and media where we know she will continue to do great things! We thank Mrs. Wright for sharing her big heart with us, her endless energy, and her genuine and daily care for our families, school, and community. On behalf of our staff, we look forward to seeing you and catching up with her in our local community as will, the kids.

Real Acts of Caring: February was a busy month with our real acts of caring week, Pink Shirt Day and celebrating Black History Month. Students shared their own real acts of caring by designing and creating cards between classes to acknowledge the appreciation they have for one another. We had a morning assembly where we had student presenters from Mrs. Kerfer's class and Mrs. Khan/Ms. Lunneys' class who reminded us of bullying awareness and promoted the importance of being kind to each other. It is our hope that we all continue to be kind and recognize the importance of inclusion of everyone every day. As a community, our BPAC organized a lunchtime Martial Arts Fundraiser for all children to demonstrate their skills and develop an appreciation for the discipline and benefits of Martial Arts. Fun was had by all! A special and sincere thank you to Mr. and Mrs. Fraser and our other parent volunteers who played a significantly role in supporting this opportunity for our children. We are so grateful and thankful for our dedicated BPAC.

There are many holidays observed within our Bramblewood community and hope that all of our families take the time to learn about, celebrate and honour such events including Ramadan, Nowruz, Holi, Easter, and Vaisakhi; celebrating our wonderful diversity and being the inclusive community we are, benefits everyone.

Thank you to Mrs. Chan and Mrs. Khan for assisting with our Grade 5 Basketball team; many smiles were brought to our faces in watching our children try the sport for the first time. We are excited to host two athletic opportunities for our children when we return from Spring Break – Como Lake Relays and our District Track and Field Meet. We encourage our children to participate and learn about the important of a healthy lifestyle.

Families are reminded that our PAC is hosting the return of Family Movie Night on Friday, March 8th @ 6pm in the Gym. Tickets can be purchased online through munchalunch or bought at the door; This is a great community building event. We encourage families to attend.

We would like to wish all of our families a wonderful and safe Spring Break.

Sincerely, Britt Walton BPAC

Wildlife

As most of our families know, we share our grounds with wildlife and it is about this time when the bears are waking up and other animals are out and about. Please know that the school has a wildlife protocol should wild animals be seen in and around the school or neighbourhood. Also, if children and families are walking to school, everyone should be reminded to:

- use well lit busier roads and walkways
- walk noisily in groups
- avoid forest paths and walking alone
- do not wear headphones and pay attention to surroundings.

Finally, if you are aware of wildlife near the school, please call the school and the conservation office as soon as possible.

Please remind children of our Shelter in Place procedures. Should children see wildlife during outdoor play, they need to calmly seek the help of a supervisor or other school staff member and follow instructions. All of our children have rehearsed such situation and know when they hear three beeps of the bell, they are to return to their classroom lineup to seek safety in the building should it be required. Thank you for your continued support.
