We want to extend a HUGE THANK YOU to all the families who supported our Virtual Scholastic Book Fair! Each dollar spent gives us the ability to bring more literacy material into the school.

Remembrance Day

Children will be given poppies to wear on Wednesday, November 10th and we will be collecting donations to support the work of the Royal Canadian Legion. If you are able, please send your donation with your child to school this week in a bag or envelope labeled "Poppy Fund". We will also have a few of our leadership students out before school starts on Wednesday, November 10th with poppies to hand out and a tin to collect donations.

Cape Horn Focus of the Month

Throughout November, our Cape Horn Learning Community will be focusing on Remembrance.

- One aspect of this will be learning about, and recognizing Remembrance Day. We will be participating in a Virtual Remembrance Day assembly on November 10th, 2021 to honour all those who have fought and died in the line of duty to keep us free.
- Another aspect of remembrance that we will be focusing on is the importance of learning our own personal histories and how many indigenous cultures use oral story telling to pass down family history and life lessons.

How can you help your child with this learning: Start talking about your own personal/family history with your kids. (For example: What culture(s) does your family come from? Are there life events that have shaped who you are? Family traditions? Childhood memories? Funny experiences? We encourage you to share these with your kids!)
