Step 1: Use the School Locator tool on our website to determine your catchment school.

To use our [School Locator](#) tool on our website, simply type in your street name and follow the instructions.

Step 2: Complete the Kindergarten Registration Package (PDF).

Save this package on your device as "K Reg for [Name of Child]"

It is recommended that you download the Kindergarten Registration Package using a computer (PC or Mac). Mobile phone, iPad or tablet is not recommended.

If you are unable to complete the Kindergarten Registration Package on a computer, please contact your catchment school to pick up a paper copy of the form.

This Kindergarten Registration Package includes the following:

- **Instructions on how to send your Kindergarten Registration Package electronically (Step 4)**
- **Student Registration Form**

Step 3: Prepare the required verification documents for registration.

Families have the option of sending scans/photos of all required verification documents.

If a school receives all of the required verification documents, there will be no need for families to visit the school in person to have their documents verified. However, schools may still need to request an in-person appointment if the documents are incomplete or inaccurate.

If you choose not to email your required verification documents, you will still need to email the registration form. Then, you will be contacted by the school to schedule a time for you to bring in the required documents for verification.

- **Proof of citizenship for parent & child (one of):** birth certificate; passport; PR Card; Canadian Citizenship Card; status card

View the **Funding Eligibility Checklist (Page 5)** for the full list of required verification documents.

Step 4: Send an email back to your catchment school (email is found at the bottom section of the school’s homepage) and **attach the Registration Form and required verification documents by Thursday, February 2nd.**

- A total of seven (7) documents must be submitted: Student Registration Form (one) and Required Verification Documents (six)
- Locate/ verify your catchment school using the [School Locator](#) on our website.
- Find your catchment school email at the bottom section of the school’s homepage. For example, see image below.

If your child has any special education needs, we ask that you contact District Learning Services at 604-937-6386 and ask to speak with the Zone Coordinator for your catchment school.

Step 5: You will be notified of your placement by the principal.

Students will be placed according to this process provided there is space available:

1. Siblings of older students who will also attend the school in September 2023 will be the first priority for placement.
2. If applications exceed the available space at a school, a random draw will determine student placements.
3. If the number of Kindergarten registrations exceeds the school’s capacity by February 2nd, a random draw will be used to determine the student’s placement. Any Kindergarten registrations not placed during draw will be waitlisted and assigned to the nearest school with space.
4. Any registrations received after February 2nd would not be placed in the draw. If the school is full, students will be waitlisted and assigned to the nearest school with space.

Cross Catchment

Parents sometimes wish for their children to attend a school that is not their catchment school. In such cases, **you must first register at your catchment school.**
