Subject: Student School Supplies info for 2023-24 - DEADLINE to order: Sunday June 11 (to avoid shipping charges)

Hello Castle Park Families of current Kindergarten to Grade 4 students,

For the 2023-2024 school year we are again doing a school organized bulk order for **Kindergarten and Grade 1 students** which will be paid through www.schoolcashionline.ca. We are going to collect the supply package fee of \$60 from our future Grade 1 students. **Parents of current Kindergarten students will receive an email notification from School Cash Online when the item is live** – We ask that you pay for your child’s supplies no later than **June 11th** as we will be ordering very soon thereafter. Parents of next year’s Kindergarten students will pay through School Cash Online in September– more information will be provided when Kindergarten students are assigned to a class on Friday September 8th.

For **next year’s Grades 2-5 students** the Creative Packs School Supply Ordering process for next school year (2023-2024) is now up and running. The School Supply Packs will be available to purchase “**ONLINE only**” – please click on the link below to place your order. If you choose not to order your child’s school supplies through Creative Packs, attached you will find the Grades 2-5 School Supply Lists for shopping on your own. Part of the reason we use these packs is for consistency in the quality of supplies and to give parents options to have all their school supplies take care of for them. Going out and buying from various vendors takes you time and effort while generally not saving as much money as hoped, especially with the price of gas. The **deadline for ordering Grade 2-5 packs is Sunday, June 11** – after that there will be a delivery fee. Orders are scheduled to be delivered to our school in the last week of June, and will be sent home with your child before they leave for the summer break.

Creative Packs provides the following information for parents:
