STEAM CHALLENGES

Throughout the month of November the students were given opportunities to complete two different STEAM KĒVA Plank Challenges during Digital Literacy. The District 43 challenge involved building the tallest structure with a limited amount of KĒVA planks and our school was invited to submit the top winners for 3 different grade categories.

The winners from our school are:

Kindergarten/Grade 1: Sienna (Div 12) with 65 cm

Grade 2/3: Avery and Ray (Div 10) with 107 cm

Grade 4/ 5: Mackenzie, Hannah, Brooke, and Saharra (Div 1) with 111 cm

A special congratulations to Avery and Ray who have won the district grade 2/3 category and Sienna was runner up for the district grade K/1 category. These 3 students will be receiving prizes next week from the district.

Thank you to everyone who participated!
