## Track and Field

Over the past few weeks, the students in Grades 3, 4, and 5 have been introduced and practiced a variety of track and field events. Those students who have met a qualifying standard have been invited out by their classroom teacher to tryout for particular events. Students will compete against others of the same grade level and gender. These tryouts will begin next week as noted by the schedule found below. Please note that there are some after-school practices so alternative pick up, daycare etc. arrangements may be required. Students need to attend each practice on time, wear proper attire and bring a water bottle. If one cannot make a practice time, please make contact with the event coaches. Only students invited out by their teacher can attend these tryouts as they have met or beat a Coquitlam School District qualifying standard. At the conclusion of these tryouts, students will then find out who will be representing Cedar Drive at the District Track Meet on Thursday May 22, 2025.

\*A reminder that parents are responsible for arranging transportation for their child to and from Percy Perry Stadium.\*

If you have any questions, please contact Mr. Lee ([lalee@sd43.bc.ca](mailto:lalee@sd43.bc.ca)). Try your best and good luck students!

\*\* Long Jump practice time still to be determined \*\*
