Walking School Bus

In August 2024, as a courtesy, we shared with you a community driven initiative called Walking School Bus. This initiative invites Cedar Drive families to engage in organized walking groups to and from school. Walking School Bus is hoping to begin in May and a proposed route is below. If you are interested in participating, please complete the form to register. This is an optional community initiative; **the school or school district is not involved in any way**. Accordingly, the school district has no custody or control of the information you submit, and you should only complete the form understanding that you are providing information directly to a 3rd party. Should you have any questions about this program, please feel free to contact Taylor at taylor@scyofbc.org. Here is the link to register: <https://forms.office.com/r/EbWdd9GhnD>
