New Information

Welcome to Cereal Drive!!! Dec 1 - 17

We are happy to be participating in a CEREAL food drive again this year to support SHARE Food Bank. From now until Wednesday, December 17th

we will be collecting boxes of cereal to fill our front entrance way. That's not all!!! What goes with cereal.... MILK!!! Since it is hard to collect milk donations, we are collecting "milk money". There is an empty milk jug in the school office that we hope to fill with money. When SHARE receives monetary donations, they use those funds to buy items in bulk. Please consider sending in your nickels, dimes, quarters or even a few toonies or loonies, to help us fill our milk jug. The grade 5 leadership students will be going around from classroom to classroom each day to collect any cereal and money. Thank you for your support!!!

Winter Weather Ahead!

Schools are not routinely closed due to snow or other inclement weather conditions. All schools in School District 43 (Coquitlam) will remain OPEN, if at all possible, during winter weather, including snowfall.

However, on occasion, a district-wide or partial-district closure is required due to extreme weather. Partial-district closures affecting individual schools may occur due to the very different geography within our school district. If there is a partial-district closure affected schools will be identified.

The decision on schools remaining open or needing to be closed, because of extreme weather, occurs **before 6:30 a.m.** so that families can plan and make alternate arrangements.

Any district-wide or partial-district closure will be decided and communicated by 6:30 a.m. via the School District 43 website www.sd43.bc.ca and CKNW AM 980 radio, CKWX 1130 radio and CBC (690) radio.

- While the District tries to make the best decision with the information available, the weather does change quickly. Therefore, when schools remain open, decisions to stay at home during challenging weather conditions should be made by each family.

Extreme weather can also impact transit. Transit schedules may face significant changes or cancellations due to the weather conditions. Parents seeking information on transit schedules need to consult the Translink website: <http://www.translink.ca/>

We encourage families to continuously check the School District 43 website for updates and changes: www.sd43.bc.ca
