Thank you to our fantastic Cedar Drive community for once again making generous donations to B.C. Children's Hospital Oncology Department for our annual "Orangearama" fundraising drive in honour of Mr. McNally's son, **Graedon**. This year we raised over \$1,700!!!! Over the years close to \$24,000 has been raised on his behalf, with a large portion of that coming directly from the Cedar Drive community. Your generosity is greatly appreciated! Wow, Cedar Drive Community!

What a success our pancake breakfast was! It was wonderful to see our community together! A special thank you to our firefighters, our families, Mr. Dhaliwal, the Cedar Drive staff and students for making it such a special morning! Thank you!

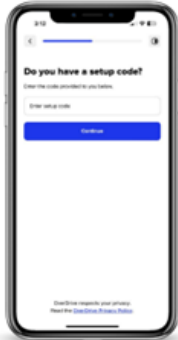

Reading with SORA

The district now has access to a new digital reading platform called Sora. It offers ebooks and audiobooks, and students can access these free anytime at school and also at home. You can access this at home by visiting the Sora website: <https://soraapp.com/library/sd43ca> or by downloading the app. You would need to know your child's school login credentials (sd43 email address and password); these credentials are on a label in your child's planner (first page), and for Kindergarten students please your credentials are being sent home on a card.

Access Sora from the app
