Principal's Message

Dear Cedar Drive families,

Earlier this week, I learned that effective July 1st, I will be reassigned as the principal of Citadel Middle School. I am very sad to be leaving Cedar Drive. It has been an absolute pleasure serving as the principal of Cedar Drive over the past three years. I want to extend my deepest gratitude to all of you for being such a supportive community. Working with your children and meeting the wonderful families at Cedar Drive has been an incredibly rewarding experience.

Denise Nembhard is the incoming principal here at Cedar Drive. Denise grew up in North Port Coquitlam and is well acquainted with the neighbourhood. She is currently serving as vice-principal at Port Moody Secondary and is excited to join this community. She will be in attendance for some of our upcoming events, so hopefully you will have an opportunity to meet her then.

Kind regards,
Rick Dhaliwal

Shrek Jr. on Wednesday May 14th

A reminder that our school wide field trip to see Shrek Jr. at the ACT Theatre in Maple Ridge is on Wednesday. We will be travelling by school bus and leaving the school around 9:30am and we should be back by noon. A big thank you to the parents that have volunteered to join us.

LEGO Wall

There's a new exciting addition to the library this week that will help the children work on creative and critical thinking, collaboration, communication, and patience!

We talked about flexible thinking last week in preparation for this new venture. We will be taking turns trying out the Lego Wall and will be showing off our creations every Friday in the newsletter.

This week's pictures come from Divisions 9-12.

If you have Lego that you would like to donate to the library, please send it our way! :)
