Principal's Message

Dear Cedar Drive families,

On Thursday, May 28th, we are excited to host our Parent Appreciation event. This is a time for us to say thank you to you as parents who work collaboratively with teachers, staff, and your children to help them be successful at school. Not only do we need parents to participate in classrooms, field trips, PAC events, and extra-curricular activities, but the behind the scenes of reading with your children, helping with homework (I have fond memories of practicing the times tables with my Dad), reading school notices and emails all contribute to your child's success. We appreciate those little things too. I'm a big believer that the little things are the big things.

We hope you can join us for this celebration. There will be sweet treats, beverages, and special entertainment from our students as a small token of our appreciation. Gym doors will open at 1:45—please enter through the main school doors and head directly into the gym.

We also held our district track meet today, May 22nd. Thank you to all of the teachers and coaches for the time that they spent on practices—whether it was during class, early mornings, at lunch, or after school, a lot of people went into making the track meet possible. Thank you to the coaches, students, and families who spent the day cheering on their classmates. I'm glad that there was beautiful weather for the meet!

Thank you,

Denise Nembhard (she/her)
