CITY OF PORT COQUITLAM CELEBRATES MAY DAYS 2023

The Royal Party is a historical Port Coquitlam tradition. Being a Royal Party member provides opportunities for children to develop community leadership skills. The Royal Party consists of Flower Girls and Junior Lancers from Grades 1 and 2, and Princesses and Lancers from Grades 4 and 5. Members of the Royal Party will be randomly selected from interested applicants.

The Royal Party will learn a couple of simple hip hop dances led by a professional dance choreographer. These dances will be performed at the May Days Opening Ceremonies on Friday, May 5th, 2023. Participants will be required to attend dance practices at the Port Coquitlam Community Centre twice per week, beginning in February. A more detailed list of Royal Party events and responsibilities will be provided upon selection of interested participants. There will be a Parent Information Meeting on **Thursday, January 26th, 2023** for parents of the children who are selected to be part of the Royal Party.

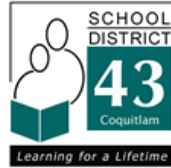

To apply for the Royal Party, please submit your application online at www.portcoquitlam.ca/maydays by **Friday, January 20th, 2023**.

Message from the Terry Fox Public Library

Reading Buddies is back for another session at your local public library, this time for 8 weeks, on Tuesdays from January 17 to March 7. We will run from 3:45-4:30pm, and our teen volunteers are prepped and ready to go – we just need some little buddies now! This program is aimed at children between kindergarten and grade 3 who could use a little bit of extra help with their reading skills.

We are doing registration over the phone or at the library now, please give us a call at 604-927-7999. Here is the link to the event on our website:

Messages from the PAC and Grade 5 Committee

Parent Education - Social Media, Digital Citizenship, and Cyberbullying

The parent presentation will focus on all things digital. Your child has now entered into their digital media lives, where cell phone ownership doubles, video game use explodes, and they dive into the world of social media and hyper-texting.

Your child is rapidly developing their personal identity with cell phone in hand and you need to be prepared. Family rules, parental controls and developing a family tech plan will be outlined as well as recommendations for monitoring your child's digital life. To register for this event, click on this link (the zoom link will be emailed to you two days before the event)
