## Registration 2013

### 2013 – 2014 School Year

#### Message from the Principal

Dear Parents,

We are looking forward to another fantastic year at Centennial. Over the years, your response to our ever-changing registration package has been overwhelmingly positive. Again, this year we've added a new wrinkle. We have heard from many that the overwhelming amount of paper we provide in our package is wasteful, expensive and not necessary. As a result, there is no mail out and we are asking that all families register and check policies **online**. We are seeking 100% compliance and will offer in-school assistance, if computer access is an issue for you. Here's how:

- 1) Go to our public website [www.sd43.bc.ca/secondary/centennial](http://www.sd43.bc.ca/secondary/centennial)
- 2) Click on the Parent EForm button
- 3) Complete the two required forms by clicking on the buttons:
  - a) School Policies
  - b) Emergency Release
- 4) If you are a parent of a graduating student (Grade 12), please complete:
  - Grad Gown Order Form (mandatory)
  - Cap and Gown Committee Volunteer Form (optional)
  - After-Grad Volunteer and/or Donation Form (optional)
- 5) If necessary, please review and complete forms for the subsequent areas by clicking on each:
  - PAC Donation Form
  - Medical Alert
  - Volunteer Application
  - Driver Application
  - Privately-Owned Devices
  - After-Grad Volunteer and/or Donation Form

If you require assistance or computer access:

- 1) Ask your child for assistance
- 2) Go to the Public Library for computer access
- 3) Come to Centennial, in the Courtyard, between 10am – 2pm on August 26 - 29 to receive assistance from students

That's it!

We hope this makes it as easy for you as it does for us. Thank you!
