August 2014

Dear Centennial Parents and Students:

The start of the 2014-2015 school year is quickly approaching. We trust that all of our school community has had a relaxing summer and spent time with family and friends. This Parent-Student bulletin contains very important information about the upcoming year. Please read this information carefully. We have included a checklist at the end of the bulletin and suggest you use it to prepare for September registration.

If you are NOT returning to Centennial this September, please telephone the school prior to the end of August at 604-936-7205. The office is open Monday to Friday, 8:00 am to 3:00 pm.

We are looking forward to the new school year, and working with you.

Mr. Robert Zambrano, Principal

Mr. Bryn Williams, Vice Principal - student last name beginning with A – K

Ms. Janine Close, Vice Principal – student last name beginning with L - Z

Students will receive their **2014 – 2015 timetables** on the first day of school.

### **COURSE CHANGES**

Due to decreased enrolment and increased budgetary constraints, there is very limited space in the timetable. As a result, students are not likely to be able to change courses this year and there will be no course changes made during school hours.

For Grade 12's course changes will be on Wednesday, September 3, 2014, 4:00 – 7:00pm

For Grade 10's and 11's changes will be on Thursday, September 4, 2014, 3:30 to 7:00 pm

Please contact your counsellor if you have extenuating circumstances requiring a course change or if you are missing courses in your schedule - we will make every effort to help.

Priority for class changes will be conducted in this manner:

1. New students
2. Students requiring an 8<sup>th</sup> course
3. Students requiring courses for Graduation
4. Students who are in the wrong course
5. Students who do not have a lunch block (this may be difficult in some cases, especially with students taking music)

No priority will be given to issues related to teacher selection, peer related matters and students wanting to switch lunch blocks to be with peers.

## SUMMER COUNSELLING

There are three full-time counsellors, allocated as follows:

	<b>Grade 9</b>	<b>Grade 10</b>	<b>Grade 11</b>	<b>Grade 12</b>
Maria Thomas	A - G	A - G	A - G	A - K
Grace Morissette	H - N	H - N	H - N	L - Q
Terry Temlett	O - Z	O - Z	O - Z	R - Z

Ms. Morissette will be in the school from August 18 to 20. Ms. Temlett and Ms. Thomas will be in the school from August 25 to 27. On these dates, counsellors will only register new students and generally prepare for the new year. Counsellors will not be available during this time to take calls or book appointments.

Please carefully review the **pink Student Information Verification form** that will be handed out in Homeroom on Tuesday, September 2, 2014. It is very important we have accurate information about your child so that we can contact you quickly in the event of an emergency. Students must return this form, **whether or not there are changes**, to their homeroom teacher by Friday September 5, 2014.

If your child has a medical condition that requires precautionary treatment or medication at school and you have not filled out a **Medical Alert Form** and/or a **Request for Administration of Medication at School Form**, please return the completed forms to the school as soon as possible. All other students will have the opportunity to have their photo taken on September 4, 2014 in the Courtyard. All students must have a picture taken even if a photo package is not purchased. A picture is required for the student's transit Go-Card, and is also used for borrowing library books. *Please remember to complete your MJM Studios order and pay online, if you are ordering pictures. Bring your emailed bar code to verify payment.*

### **REGISTRATION DAY**

Registration Day will be Tuesday September 2, 2014. Students **MUST** report to their homerooms at the following times:

**Grade 9 - 10:00 am**  
**Grade 10 - 11:00 am**  
**Grade 11 - 12:00 pm**  
**Grade 12 - 1:00 pm**

Students can find out which homeroom they are in by consulting the website or by looking on their fee statement.

Homeroom assignment and location will be posted throughout the school. Attendance in your homeroom on Tuesday, September 2; Wednesday, September 3; Thursday, September 4; and Friday, September 5 is **MANDATORY**.

You must attend on September 2 to ensure your placement in each of your semester one courses.

## **LOCKER INFORMATION**

Due to the unconventional manner in which the school year came to a close, there will be a different format for how students will acquire their lockers.

If you are currently in grade 10, 11 or 12, you will maintain the same locker that you had last year. You will need to go through the locker, clean it out and return any textbooks from last year to the office. If there is an issue with your current locker location, you will need to see Ms. Close on Monday, September 8<sup>th</sup> in the courtyard during period three.

Grade 9 students will receive a locker on Thursday, August 28<sup>th</sup> during the orientation (students will share a locker with a locker partner of their choosing). If they are not able to attend the orientation, or they would prefer to they can see Ms. Close on Friday, September 5<sup>th</sup> in period three in the courtyard.

Students should have a locker partner and ***must use the locker assigned*** to them. Students may decline the use of a locker.

## **STUDENT ATTENDANCE**

The staff at Centennial is committed to student achievement in all areas and will model the self-discipline, self-motivation, and commitment to high quality work that we hope to develop in our students. Research confirms that student success and satisfaction with school increases significantly when there is a commitment to achievement and regular attendance.

At Centennial we assume that all students will make regular attendance and completion of graduation requirements their most important priorities. It will not be possible to make timetable changes to accommodate part-time employment or other extra-curricular activities. Please do not schedule outside activities during the regular school day.

We make every effort to track student attendance accurately. We ask that parents phone the school to report student absences or lates. Please phone 604-936-7205 before 8:30 on the morning your son or daughter is absent or late. Any student who does not have a parent-approved absence will receive an automated phone call home in the early evening informing the parent that their child was not in attendance that day.

## **GRADE 12 STUDENTS & GRADUATION TRANSITIONS PROGRAM 12**

All Grade 12 students who expect to graduate by the end of June 2015, will need to complete all components of the Graduation Transitions (GTP). This includes an exit interview. The complete checklist and supporting documents can be downloaded from the Graduation Transitions site <http://www.sd43.bc.ca/secondary/centennial/ProgramsServices/Transitions/Pages/default.aspx> or through the student portal.

Most Grade 12 students have already completed many of the GTP12 requirements in their Planning 10 course. Students will be reintroduced to their Planning 10 / GTP12 evidence in a GTP12 overview class which will take place within the first 2 – 3 months of the school year. In this class, the entire GTP program will be reviewed, including what the exit interview is all about and how and when this year's exit interviews will take place.

All students in Grade 12 need to be checking the announcements so that they do not miss the opportunity to attend one of the GTP12 classes when they are offered. These classes will also be posted on the Centennial website.
