## **Centennial Car Show**

If your interested, here is a video of the Centennial car show last Friday..

<https://youtu.be/ee6ngrKnFE4?si=GlzmzZshgu4h0cJB>

At the 20 sec mark the green GMC Jimmy truck was voted the people's choice award.

This truck is owned by a former student named JP. His Dad bought it brand new in 1978, and JP remembers driving it to school in the '90's when he attended Centennial. It sat around for many years until JP started the restoration process. He had it painted earlier this year just before his dad passed away from cancer. His Dad was super excited to see the truck on its way to its former glory. The car show was the trucks first outing and JP was a bit emotional to take home Peoples choice with the truck.
