

**Mr. Malakoff**

- Teachers found the semester transition was rough for some students with the Provincial exams and then right into 2<sup>nd</sup> semester in the same week – they found that the students took until the 2<sup>nd</sup> week of the semester to get up to speed
- The BCTF is holding a strike vote and the results should be out in the media by Thursday night
- Willing to answer questions that any of the parents present might have regarding the strike vote and the BCTF position as he is the Shop Steward for Centennial

**Mr. Pope**

- There should be an article in the Tri-Cities newspaper about the Technology Dept.
- There was a Construction Group with a mandate to help upgrade high school shop equipment and we had to apply and fill out a wish list. Our wish list total was \$56,000. The Group wouldn't actually be supplying the funds; they would supply a website where people could go and donate to a specific school.

**COMMITTEE REPORTS****After Grad:**

- Had a meeting last week
- Things seem to be coming together – need a volunteer to solicit donations from Coquitlam Town Centre business?
- 2011/2012 the After Grad Committee estimated that they may be able to return \$3000 to PAC – but after looking at the budget it was decided that it would not be possible. Jacquie noted that PAC didn't really expect the money back.
- A theme has been decided on
- All the committees are in place and seem to have enough volunteers
- Fundraising – Mother's Day plants from DeVry Nurseries again, will be doing the Frisbee toss at Coquitlam Express game and will be doing the Ford Drive Event again on May 24<sup>th</sup>.
- Next meeting is April 1<sup>st</sup> in Library at 7pm

**Grad Pens:**

- The Grad Pen Sets (pen & pencil) have been ordered and delivered to Colleen's place.
- The decals (that get affixed to the sets) with the graduation year have been approved and ordered. They will be ready after Spring Break. Colleen will advise the date where we can gather and affix the decals.

**NEW BUSINESS**

- Rob requested time to discuss a possible new block schedule for the next school year. The administration has been looking at changing the block schedule from 5 blocks to 4 blocks with a common lunch block for all grades. He passed out a page with 3 block schedules on it as well as a comments matrix. We broke out into small discussion groups and each group filled out the comments page. Rob indicated that this wasn't close to happening but that this exercise was information gathering to take back to the committee overseeing this.
