

Dr. Dan Siegel

*Clinical Professor of Psychiatry,
UCLA School of Medicine, presents a
special webinar...*

Educating the Whole-Brain Child

*Cultivating healthy emotional and intellectual
development in our students so they can lead balanced,
meaningful, and connected lives.*

- Date:** Wednesday, January 30, 2013,
By webcast during the DPAC general meeting
- Place:** Gallery Room, Winslow Centre
1100 Winslow Avenue, Coquitlam, BC
- Time:** 7 – 9 p.m.

***This is not just for DPAC reps! All parents, grandparents,
teachers, and caregivers are welcome to attend.***

- Gain scientifically based ideas and practical skills to help promote wellbeing in your children's lives.
- Promote the growth of neural integration at the heart of health.
- Transform challenge into integrative learning.

District Parent Advisory Council
