Dear Parents/Guardians,

Thanks to a partnership between Central Elementary School and Breakfast Club of Canada, we will be offering a universal breakfast program for students during the 2016-2017 school year. Students will have access to healthy food from 8:15 to 8:40am in the Multi-purpose room. We believe that universal programs level the playing field for all children while fostering a welcoming school environment.

**For security reasons (attendance, allergies, sensitivities, ect,) your child must be enrolled in the school breakfast program in order to have breakfast with us.**

Did you know?

- The school breakfast program is open to all children in the school regardless of family income.
  - Your school breakfast program will welcome your child at any time during the school year.
  - Breakfast programs also rely on parental and community contributions to be sustainable.
- Consider making a small financial contribution to your school breakfast program.  
Enrollment is easy! Simply fill out the enrollment form at the bottom of this page and return to the school by September 16, 2016.

You have questions?

Don't hesitate to contact out school's breakfast site coordinator:
