

PAC ELECTIONS NOTICE

2022-2023

On Wednesday, May 11, 2022 at 7:00 pm over Zoom, we will be holding our PAC AGM and Elections. We would love for you to join us!

The PAC at Central Community School is a wonderful organization that promotes communication between the school, staff and district. It helps to build a sense of community in our school and surrounding area; it raises and allocates funds for our students and school; and it offers parents a forum to voice concerns and recommendations regarding different aspects of our children's education. As a PAC, we give funds to the school for various extracurricular items. Most of this money comes from B.C. Gaming Funds allocated to our school. **Have a say in how these funds are spent for the next school year!**

Each year, at this time, we accept nominations for our PAC Executive, which includes:

- **Chairperson**
- **Treasurer**
- **Secretary**
- **District Parent Advisory Council (DPAC) Representative**

As well, the membership will decide if other optional positions are wanted for next year including, but not limited to:

- **Vice-Chairperson**
- **Community and Multicultural Liaison**
- **Fundraising Coordinator**
- **Parent Education Coordinator**
- **Communications Officer**

Please consider the list of PAC positions to see if you might be interested in getting involved and being nominated. All positions are open to any parent in the school. If you don't feel you have enough time to give to a PAC position, we would still love to see you at the meeting to give ideas and help us with decision making.

Everyone is welcome! If you have any questions or comments, please do not hesitate to email <Name>, the Elections Chairperson, at <e-mail address>

Please join the Zoom session and vote on
Wednesday, May 11th, 2022!
