PRINCIPAL'S MESSAGE

Dear Charles Best Community,

As we navigate through February, we are excited to share some fantastic updates and important reminders with you. Our students are currently immersed in course programming for the upcoming school year. They are thoughtfully planning their schedules, eager to embark on new academic adventures and opportunities next year. It's wonderful to witness their enthusiasm and commitment to their educational journeys. Our counsellors have been working hard, helping them navigate through this process and hosting our parent community for evening events focused on course planning.

We are incredibly proud of the achievements of our basketball teams including Grade 9 teams, Junior and Senior levels. Their hard work and determination have brought many victories and celebrations, and they continue to excel on the court. Our rivalry game on Thursday, February 6th was one of the most amazing sporting events I have ever attended. The Charles Best spirit was inspirational, and the stories from the game will be told for years to come. Additionally, our wrestling team has made us proud by qualifying eight talented athletes for the provincials—an outstanding accomplishment that highlights their dedication and skill and our Field Lacrosse team is hoping to finish up their season. Fingers crossed the weather will cooperate.

Spring sports are also in full swing! Our rugby, badminton, track, and girls' soccer teams are gearing up for their seasons, promising more excitement and success on the horizon.

Thank you to all our amazing coaches for the time and energy you commit to helping our kids achieve success.

As always, the safety of our students, staff, and families remains our top priority. We kindly remind everyone to exercise caution when driving through the school zone, especially during drop-off and pick-up times. Let's work together to ensure that Charles Best Secondary remains a safe environment for all.

Thank you for your continued support and involvement in our school community. We look forward to more accomplishments and shared experiences in the coming months.

Warmest regards,

2025-2026 COURSE PROGRAMMING

Counsellors have made their presentations to current Grade 9-11 students and students have been instructed to make their course selections in their MYED portals.

Grade 9's please complete **between February 10-14.**

Grade 10's please complete **between February 12-16.**

Grade 11's please complete **between February 18-27.**

****Grade 11's are also required to make an appointment with their Counsellor between February 10-21.**

This is a mandatory appointment to ensure all grad requirements are met for next year.

PEER TUTORING 11/12 FOR NEXT YEAR

Students who want to take Peer Tutoring 11 or 12 next year need to complete an application and teacher reference **by Friday March 7th**. The application form can be found in the counselling office. Students who do not complete an application and teacher reference by the deadline will be withdrawn. Please see Ms. Hawes or Ms. Wiskar in 215 if you have any questions.

AP EXAMS

Any students who would like to sign up for the AP Psychology exam are asked to see Mrs. John in the Counselling office **by Thursday, February 27.**

STUDENT LEARNING SURVEY 2025

The annual Provincial Student Learning Survey is being conducted at Dr. Charles Best next week. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Between February 18-21, the Student Learning Survey will be administered to students in **grades 10 and 12**.

Parents and students need to **check their email**, as we have sent emails that contain specific information and details. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the province. The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link **without a logon code by selecting the school district and school name** where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

While the e-survey site will be open until May 3rd, please consider completing the survey as soon as possible.

If you have any questions, please contact Tara Sutherland, Vice Principal at Dr Charles Best Secondary, tsutherland@sd43.bc.ca

IMMUNIZATION UPDATE

Fraser Health will be hosting one final clinic at the school on **Thursday, February 27th** in the cafeteria for any students in all grades that were missed. If you have not handed in your immunization consent form, please do so or students can hand in the form directly to the Health Nurse on Feb. 27th.

HONOURS STANDING CRITERIA AND TIMELINE

We hope your children have had a successful transition into their Semester 2 classes. As we look ahead to the end of the academic year, we would like to share the criteria and timeline for Honour Roll, Honour Cord, and Honours with Distinction.

Students in grades 10 to 12 will have their grades calculated **in Quarter 3**, which takes place in April 2025, for Honours standing. This practice of calculating marks in Quarter 3 is consistent across the district.

We are sharing this information at the beginning of Semester 2, so parents and students are aware of the timeline and can plan accordingly.

Please discuss with your child the importance of starting the semester with effective study habits that support success. Encourage them to seek help at the earliest sign of difficulty. This proactive approach will help prevent disappointment when marks are assessed in Quarter 3, ensuring they have the necessary grades to achieve Honour Roll, Honour Cord, and/or Honours with Distinction.

*****ONLY CLASSES COMPLETED IN PERSON AT ÉCOLE DR. CHARLES BEST ARE CONSIDERED FOR HONOURS STANDING.**

Grade 10 and 11	Grade 12

2024-2025 Wrestling Team and Coaches

SENIOR GIRLS BASKETBALL

Please congratulate the senior girls basketball team for earning a spot in the provincial championship for the 3rd consecutive year! The team has played through numerous injuries and illnesses but continue to compete and work through adversity. They defeated Heritage Woods on Wednesday night in an exciting game to make it to the Fraser North finals, which are at **SFU on Sunday, February 16th**. Please come cheer on the team and wear your Best gear! See you at Langley Events Centre February 26 – March 1st for provincial play.

SENIOR BOYS BASKETBALL

Sr Boys are 5-1 in league play and are hoping to qualify for Fraser North Championships. The boys fed off the energy of a huge and loud crowd vs Centennial last week. They came out on top 77-49. Many thanks to Mr. Karmali and the leadership team for organizing the event. Unfortunately the Sr Boys had a disappointing effort vs Terry Fox and lost 67-37 Tuesday. With a win vs Heritage Woods and a Centennial win vs Fox the boys can secure the #1 seed in Coquitlam. The road to Provincials keeps going!

JUNIOR BOYS BASKETBALL

The junior boys battled and learned all year, as moving to grade 10 basketball is a real eye-opening experience. I am very happy with their willingness to learn and get better this year as we introduced the strategic side of basketball. Coach Taplin and Coach Percevault express their gratitude to the wonderful parents of the boys who drove them all around the lower mainland and supported us. We hope that the boys continue to work on their skills and get better for next year and senior ball. **Coach Percevault**

GRADE 9 BASKETBALL - SEASON RECAP

The Grade 9 basketball team has officially wrapped up their season, and what a season it was! Finishing with an impressive 11-10 record, the Blue Devils secured 4th place out of 8 teams, earning their spot in the district championships.

Their playoff run was nothing short of spectacular. In the first round, the team pulled off a historic comeback, overcoming a 17-point deficit in the final five minutes of the fourth quarter to snatch a thrilling victory and advance to the semifinals. Despite their resilience, they fell short against Heritage Woods. In the third-place game against Centennial, the team once again fought hard, taking the lead late in the fourth quarter. However, Centennial managed to tie the game and force overtime, where they capitalized on key moments to secure the win.

Although the season ended in heartbreak, this team showed incredible determination, grit, and teamwork all year long. A huge congratulations to every player for their dedication and hard work! We can't wait to see them back on the court next season, stronger than ever. **Coach Johann & Coach Kenan**
