YOUTH WORK IN TRADES PROGRAM – YOUR SUMMER JOB MAY QUALIFY!

Congratulations to the four Best students who won a WORK in Trades Award (\$1,000) from the Ministry of Education! Youth WORK in Trades is not a traditional high school course. Students in this program already have a paid job with an experienced tradesperson and complete the coursework online through Coquitlam Open Learning (COL). For every 120 hours that students work in an apprenticeship trade they can gain High School credits, learn and apply specific skills while getting paid, earn hours towards trade certification, and qualify for a \$1,000 award. Are you working a paid job in Trades? Complete a [short survey](#) to find out if your current summer job or regular part-time job qualifies. The list includes many different jobs, i.e. Arborist, Asphalt Technician, Baker, Cook, Heavy Duty Equipment Operator, Landscaper, Painter, and many more.

WORK BC SUMMER SERVICE FOR HIGH SCHOOL STUDENTS

This summer WorkBC Coquitlam is offering its services **FREE of charge** to students! ELECTRICAL PROGRAM OPPORTUNITY FOR FEMALE GRADE 11 HIGH SCHOOL STUDENT

BCIT has reserved seats for a few female high school students who want to do the electrical program at their Burnaby campus. It is a class dedicated to the Women in Trades Training intake. The program runs from February 14, - July 29, 2022, and the student will get 6 courses at the grade 12 level towards graduation. Having the program run in second semester will allow those who might be missing Physics 11, to pick it up in the Fall. Given the student will be attending BCIT, they should be displaying a mature attitude and solid overall grades.

If you are interested contact Doug MacLean, Career Programs Coordinator SD43 ASAP at DMacLean@sd43.bc.ca.

SPORTS

CLUBS

IMPORTANT REMINDERS

*******BE BEAR AWARE*******

This is the time of year bears can be seen near or on our school grounds. Do NOT approach one if you see one and report the sighting to an Administrator or staff member.

*******CROSSING COMO LAKE*******

All students: Please remember to use the crosswalks and obey all traffic lights when crossing Como Lake Avenue.

*******STUDENT PARKING*******

Please do not park near the fenced off area in the upper parking lot. This is a designated area for our construction crew working on the school addition. If you do park there, you run the risk of your car being damaged.

*******SCENT FREE SCHOOL*******

All schools and buildings within SD43 are “scent free” places of work and learning. Numerous students and staff have serious medical complications with various natural and chemical scents/fragrances. As such, please make every effort to avoid using or wearing scented products within this space in order to establish an environment that is as “scent safe” as possible.

*****ATTENTION ALL STUDENTS***NO LOITERING IN BUS SHELTER*****

Students are reminded that the bus shelters are for people who are actually waiting to get on a bus. Please do not use them as social gathering places.

*******STUDENT DROP OFFS*******

Please be aware that when dropping students off in the morning, vehicles are **not permitted** to stop at the west entrance roundabout. Stopping in the roundabout causes dangerous traffic problems on Como Lake Ave and impedes traffic.

*****SLOW DOWN AND USE CAUTION IN THE DRIVEWAY/DROP OFF AREA IN FRONT OF THE SCHOOL*****

Students are reminded to slow down and use the designated crosswalk area when crossing through the school driveway area. Be very vigilant as drivers are often distracted as they are moving in and out of waiting spots. Also, our student drivers are reminded that the expectation is “dead slow” in our school driveways and parking lots.

*****VAPING IS NOT PERMITTED IN THE SCHOOL OR ON SCHOOL GROUNDS*****

Vaporizers and/or e-cigarettes cannot be possessed at school under any circumstances. There have been recent incidents in our school/district that have resulted in these devices unintentionally exploding which can result in serious injury for the user and those around them. For the safety of all of our students and staff, it is important that these devices are not on school property. Students are not permitted to have these devices in their lockers, backpacks, or on their person at any time while on school property. If a student is found in possession of a vaporizer or e-cigarette, it will be confiscated. Parents will be contacted and required to meet with the administration and their son/daughter. Reoccurring incidents will result in disciplinary action.
