GARBAGE AROUND SCHOOL GROUNDS

A reminder to all students that sit in our cafeteria or other locations around the school. The garbage you create is your responsibility to clean up. Please don't leave any garbage or recyclable items on the cafeteria tables, floor or around our school inside or outside for caretakers.
That is not their job it is our job to make sure we dispose of items properly. Thank you!

HANGING UP POSTERS IN SCHOOL

Good morning! This is a reminder from Leadership about proper poster hanging etiquette around the school.
When putting up posters, please use the designated bulletin boards whenever possible, they're located throughout the school and are the preferred spots. If you're hanging posters on walls, make sure to use only green tape, as other types can damage the surfaces. If you don't have green tape, feel free to visit Room 102 and get some from Ms. Alvarez. Tape should be applied to the back of the poster, not the front.
Finally, remember to take your posters down the day after your event ends. Thank you!
