ROCKETRY CLUB – NASA VENUS ROVER DESIGN CHALLENGE

The Best Rocketry Club is looking for students interested in participating in NASA's Venus Rover Design Challenge. We are looking for students that are interested in 3D modelling and design, creative and "out of the box thinkers", an interest in engineering and the willingness to learn new skills. Winning this challenge could mean seeing our design on the surface of Venus one day. All grades are welcome. If you are interested please come to our meeting next **Wednesday, March 11th** after school in Room 206.

EPIC PROGRAM

A request to all students who are in EPIC this year, and want to still be considered for that program next year- Please see or e-mail your counsellor to get a re-application form, which will need to be submitted along with your Course Request form.

SPORTS

GIRLS RUGBY

The Blue Devil Girls Rugby team traveled to Maple Ridge Secondary yesterday and played a hard fought, extremely tough game against a high-spirited, fast, ball-moving Ramblers squad. In the end, our Blue Devils team defense was super solid and our offence too overwhelming for the opposition- we won 17-5! Congrats girls! Next game: **Thursday, March 12** vs Sardis @ home.

JUNIOR BOYS RUGBY:

Great exhibition game with Salmon Arm Thursday. Congratulations to players of the game Jackson Dingley and Jeremy Routley-Long.

We need all players at practice **Monday** as our first league game is **Tuesday!!**

ICE HOCKEY

Just a reminder to student's interested in playing ice hockey. You need to have your forms in before the tryouts. Tryouts are **Wed 11th and Thurs 12th** at Poirier. Please see Mr. Last or Ms. Jenkins if you have any questions.

IMPORTANT REMINDERS

*****CROSSING COMO LAKE*****

All students: Please remember to use the crosswalks and obey all traffic lights when crossing Como Lake Avenue.

*****STUDENT PARKING*****

Please do not park under or near the basketball hoops in the student parking lot, as students would like to use the hoops for games. If you do park there, you run the risk of your car being damaged

*****SCENT FREE SCHOOL*****

All schools and buildings within *SD43* are "scent free" places of work and learning. Numerous students and staff have serious medical complications with various natural and chemical scents/ fragrances. As such, please make every effort to avoid using or wearing scented products within this space in order to establish an environment that is as "scent safe" as possible.

****ATTENTION ALL STUDENTS***NO LOITERING IN BUS SHELTER****

Students are reminded that the bus shelters are for people who are actually waiting to get on a bus. Please do not use them as social gathering places.

STUDENT DROP OFFS

Please be aware that when dropping students off in the morning, vehicles are **not permitted** to stop at the west entrance roundabout. Stopping in the roundabout causes dangerous traffic problems on Como Lake Ave and impedes traffic.

SLOW DOWN AND USE CAUTION IN THE DRIVEWAY/DROP OFF AREA IN FRONT OF THE SCHOOL

Students are reminded to slow down and use the designated crosswalk area when crossing through the school driveway area. Be very vigilant as drivers are often distracted as they are moving in and out of waiting spots. Also, our student drivers are reminded that the expectation is "dead slow" in our school driveways and parking lots.

VAPORIZERS – AN ADDITION TO THE CODE OF CONDUCT

VAPING IS NOT PERMITTED IN THE SCHOOL OR ON SCHOOL GROUNDS

We have noted an increase in the use of these devices by our student population at Charles Best. While there are documented health concerns associated with vaping, these devices have also become a safety issue. We are using this opportunity to inform students and parents **that vaporizers and/or e-cigarettes cannot be possessed at school under any circumstances**. There have been recent incidents in our school/district that have resulted in these devices unintentionally exploding which can result in serious injury for the user and those around them. For the safety of all of our students and staff, it is important that these devices are not on school property. Students are not permitted to have these devices in their lockers, backpacks, or on their person at any time while on school property. If a student is found in possession of a vaporizer or e-cigarette, it will be confiscated. Parents will be contacted and required to meet with the administration and their son/daughter. Reoccurring incidents will result in disciplinary action.
