GENERAL

YOUTH AT THE BOOTH ELECTION WORKERS

[Youth at the Booth](#) is Elections BC's program to hire high school students as election officials in the 2020 Provincial General Election.

Interested? We're looking for students who are:

- between 15 and 19 years old
- interested in community service, student government or service clubs, and
- able to be work in a neutral and impartial way.

Applicants must be legally entitled to work in Canada, have a valid SIN and their parent or guardian's approval to apply.

Youth at the Booth participants will:

- work as an election official at a voting place in their local community
- earn at least \$350 for attending training and working a full day
- obtain valuable work experience for their resume and post-secondary applications
- learn about elections and voting, and
- serve their community and democracy in B.C. by making sure every voter can vote.

COVID-19 safety and voting places

Our top priority is the health and safety of our staff. In response to the COVID-19 pandemic, we've been working with the Office of the Provincial Health Officer and WorkSafeBC to make sure that election workers have a safe work environment during COVID-19.

We have made a number of changes to the voting process, including designing safe voting plans for voting places. Examples include:

- maintaining two metres distance from other individuals and groups
- guidance and signage to ensure physical distancing
- capacity limits within voting places
- increased cleaning of voting stations
- provision of hand-sanitizer stations, and
- use of personal protective equipment such as masks and face-visors.

Students who are hired as election officials must:

- complete online learning (1 hour) and classroom training (3 hours) before working as an election official
- have a valid email address and access to a computer to complete the online training prior to attending classroom training
- work the entire day when they are assigned to work (6:30 a.m. to 9 p.m. or longer)
- provide their own transportation to and from voting locations
- be prepared to provide a Social Insurance Number if offered employment, and
- wear a mask at all times while working. Some election officials must also wear a face shield. If you are not willing or able to wear a mask at all times, you must not accept employment as an election official.

IMPORTANT REMINDERS

*****BE BEAR AWARE*****

This is the time of year bears can be seen near or on our school grounds. Do NOT approach one if you see one and report the sighting to an Administrator or staff member.

*****CROSSING COMO LAKE*****

All students: Please remember to use the crosswalks and obey all traffic lights when crossing Como Lake Avenue.

*****STUDENT PARKING*****

Please do not park near the fenced off area in the upper parking lot. This is a designated area for our construction crew working on the school addition. If you do park there, you run the risk of your car being damaged.

*****SCENT FREE SCHOOL*****

All schools and buildings within SD43 are "scent free" places of work and learning. Numerous students and staff have serious medical complications with various natural and chemical scents/fragrances.

As such, please make every effort to avoid using or wearing scented products within this space in order to establish an environment that is as "scent safe" as possible.

****ATTENTION ALL STUDENTS***NO LOITERING IN BUS SHELTER****

Students are reminded that the bus shelters are for people who are actually waiting to get on a bus.

Please do not use them as social gathering places.

*****STUDENT DROP OFFS*****

Please be aware that when dropping students off in the morning, vehicles are **not permitted** to stop at the west entrance roundabout. Stopping in the roundabout causes dangerous traffic problems on Como Lake Ave and impedes traffic.

SLOW DOWN AND USE CAUTION IN THE DRIVEWAY/DROP OFF AREA IN FRONT OF THE SCHOOL

Students are reminded to slow down and use the designated crosswalk area when crossing through the school driveway area. Be very vigilant as drivers are often distracted as they are moving in and out of waiting spots. Also, our student drivers are reminded that the expectation is "dead slow" in our school driveways and parking lots.

*****VAPING IS NOT PERMITTED IN THE SCHOOL OR ON SCHOOL GROUNDS*****

Vaporizers and/or e-cigarettes cannot be possessed at school under any circumstances. There have been recent incidents in our school/district that have resulted in these devices unintentionally exploding which can result in serious injury for the user and those around them. For the safety of all of our students and staff, it is important that these devices are not on school property. Students are not permitted to have these devices in their lockers, backpacks, or on their person at any time while on school property. If a student is found in possession of a vaporizer or e-cigarette, it will be confiscated. Parents will be contacted and required to meet with the administration and their son/daughter. Reoccurring incidents will result in disciplinary action.
