

Summer Internships for High School Students (No Experience Required!)

Are you a high school student looking for a fun summer job where you can work alongside your friends and earn great money? Still exploring your options for life after graduation? (Hint: College isn't the only path—and you don't have to start right away!) Interested in earning a scholarship through a company that invests in your future?

WHAT YOUR SUMMER INTERNSHIP WILL ENTAIL

- Part-time hours
- Weekends, evenings and holidays off
- Make new friends working on a diverse team
- Beautiful work locations around the city
- Work on locally based crews
- Variety of tasks and teams
- Work outside in the summer weather
- Become healthier and active (get paid to workout)
- Ample opportunities to return every summer
- Opportunity to turn a summer job into a long-term career
- Excellent on-the-job training
- Opportunities to stay with us year round

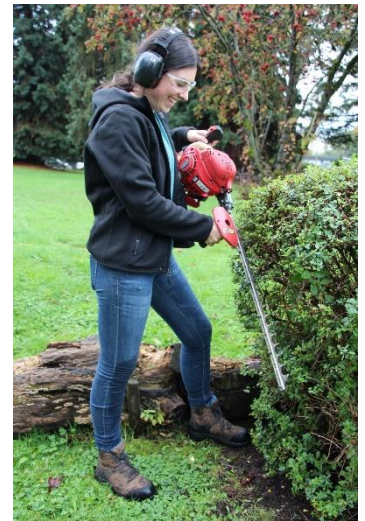

YOUR QUALIFICATIONS

- Punctual, consistent, and reliable
- Ability to work in a fast-paced environment
- Positive attitude and willingness to learn
- Ability to fulfill physically demanding, hands-on work in all weather conditions

YOUR PERKS

- Starting wage is \$23.81/hour with opportunities to earn more!
- 4% paid vacation
- Free in-house education (dinner included)
- SWAG giveaways
- Safety gear, tools and machines are provided
- Fun staff events

OUR STORY

Para Space has been an award-winning leader in the Canadian landscape industry since 1979. We have been built on care for those we work for and those who work here, being one of the most accredited landscape firms in North America. We were also voted one of BC's Best Companies to work for by our staff and are a COR certified company by WorkSafeBC.

Cities we work in: Vancouver, North/West Vancouver, Burnaby, New Westminster, Surrey, Langley, Richmond, Coquitlam, Port Moody
