

TAKE OUR KIDS TO WORK™ 2022 FAMILY GUIDE

How to get the most out of the day that lasts a lifetime!

This year, on **Wednesday, November 2**, Dr. Charles Best Secondary is participating in diverse, inclusive and accessible career exploration on Take Our Kids to Work Day 2022! All Grade 9 students are encouraged to arrange their own workplace adventure on November 2nd.

AT WORK

Grade 9's can take part in formal events or informal job-shadowing activities hosted by the employer of any adult they know -- you, a relative, neighbour, or family friend. Be as creative as possible: we hope all grade 9's will find a placement!

AT SCHOOL

Students who are unable to arrange their own workplace adventure will be supervised in a classroom at Charles Best by a teacher while they virtually visit workplaces using the internet and complete the Digital Learning 10 assignment on the topic of Take Our Kids To Work Day.

AT HOME

Students who shadow a parent who works at home or out of the home are encouraged to ask tough questions about the work to gain a deeper understanding. What exactly do you do while working at home?

TIP Parents, check with your employer to see if they are participating in Take Our Kids to Work 2022. Share [Take Our Kids to Work Resources](#) with the appropriate people in your organization and encourage them to learn more!

TIP This year's theme is: work environment. Read the Digital Learning 10 assignment associated with TOKTWD in Teams.

TIP Visit the [Take Our Kids to Work Resources](#) to use archived resources and video!

Take Our Kids to Work Day offers families a great chance to connect with their kids, sharing their own workplace world while learning about the goals, hopes, dreams and possibilities their child envisions for their future.
