^a These courses meet the Social Studies requirement for graduation **Career Transition Programs** Secondary School Apprenticeships – This program is available for Industry Training programs not available through the Coquitlam School District. However, Coquitlam offers an opportunity for students to begin an apprenticeship program while still enrolled in secondary school. ACE IT Trade Preparation Programs – Camosun College – SD43 offers a variety of Industry Training Programs. Students take their academic courses at Charles Best and depending on what program they choose, attend an alternate site for their skill development courses. A combination of secondary and post-secondary credits can be earned. For a full description of these programs, please refer to the Course Calendar posted on the Dr. Charles Best Secondary website. Information and applications for the ACE IT programs and Secondary School Apprenticeships can be found on the school district website: www.sd43.bc.ca/CareerPrograms
