The Graduation Program - Grades 10, 11 and 12
Requirements: The BC Ministry of Education requires students to complete a MINIMUM of 80 credits (each course has a 4 credit value unless otherwise specified). Four courses ( 16 credits) must be completed at the grade 12 level (which includes English 12). Most students graduate with more than 80 credits. One course designated Applied Design, Skills \& Technology (ADST) or Arts Education (AE) must also be taken at the grade 10, 11 or 12 level. For more information, please refer to the Course Planning Course Catalogue on the Dr. Charles Best website.

1. Goal Setting: Research indicates that when goals are written down, people are more likely to achieve them. With this in mind, please plan for the next two years to make sure you will have all the courses you need to reach your goals. We recognize that you may change your mind and invite you to discuss your plans with your counsellor, teachers, family, friends, etc. to clarify your goals.
2. Research: It is strongly recommended that grade 10, 11 and 12 students consult with the Career Resource Facilitator in the Career Centre for information on Post-Secondary options and requirements for entry to specific programs.
