

You're Invited!

You're invited to an open house to learn about **Inquiry Hub**, an award-winning secondary school in Coquitlam. Come and meet our current students and teachers. Check out our Maker Space and robotics. Experience some interactive, student-led sessions on a variety of topics.

Inquiry Hub is a public high school of choice that provides students the opportunity to connect, create and learn in a technology-enabled, personalized, and blended learning environment. It has been recognized for its leadership in education, winning the 2015 Canadian Education Association's Award for Innovation in Teaching and Learning.

If you are a motivated learner who works independently and has a passion to learn about things that interest you, then come learn with us at **Inquiry Hub Secondary School!**

A unique, personalized approach to teaching and learning...right here in Coquitlam!

Inquiry Hub Open House
Thurs. Jan. 12th, 2017 at 7pm

Dream | Create | Learn

I was interested in the field of Computer Science and Inquiry Hub provided me with unique opportunities and resources to help me succeed in university.

-Jay, recent grad attending UBC for Computer Science

Inquiry Hub lets me explore my interests and passions during the school day.

-Nicole, current Grade 12 student
