- 1. Congratulations to the Citadel STEAM Day Team - Congratulations to the Citadel STEAM Day team of Isla, Matreya, Evelina, Isobel, Ian, and Danilo on a great day working on some sustainability challenges. The team worked well together to design creative solutions to real world challenges related to creating wind energy, building earthquake safe buildings, and cleaning the ocean. The students came up with a lot of ideas to prototype and made adjustments after testing. Well done team!**
- 2. Badminton tournament - Grade 8s that have signed up for the tournament today please come to the Gym at 12:15pm today. No spectators please.**
- 3. Archery Club Wrap-Up - Archery club wraps up next week as that is the last week we have gym availability. We will have our usual Wednesday and Thursday sessions, and we will be having a wrap up party on Friday. Both Wednesday groups and Thursday groups are invited to the Friday wrap-up, and those attending are asked to bring something to contribute to the pot-luck event. Details will follow next week, please let Mr. Gill know if you can attend the wrap-up party.**
