Sending out a big high five and a thank you to all the students who have helped with creating our yearbook this year. The book as been shipped off to be printed. The students have worked hard since September, planning the book, taking photos, designing pages, figuring out names and putting it all together. When the yearbooks arrive in June, I think you will be very impressed with the product of all their hard work. So thank you, thank you , thank you to all the members of the yearbook crew!
