

Citadel Middle School

Wednesday June 4th

Due to the District Track and Field Meet this Friday we are postponing intramurals to next week. This is so the track athletes can get some extra practice in before their big meet. Schedule for next week will be posted to the athletics board later this week.

A reminder to all to return any library books you are finished with. Mr. Battle would like all books returned by next week. Plus, if you are interested in borrowing some books over the summer, listen for more details next week!

A reminder that we will not be at the golf course tomorrow for passions but will instead be here at the school. You will still need to bring one golf club tomorrow as we will be having a chipping contest on the field during our passions block. If you have questions please see Mr. Matak.
