Thursday March 5th

This Friday and Saturday, March 6th and 7th, we're joining people all around the world for the **Global Day of Unplugging!** It's a 24-hour challenge to take a break from phones, tablets, and computers, and reconnect with real life. Try spending time with friends or family, go outside, read, or enjoy a favorite hobby. Give yourself a break from screens and see how good it feels to be fully present. Let's power down and unplug together!

The Games Group will be happening today at lunch in room 103.

The talent show is nearly upon us, and there are a ton of acts ready to amaze and entertain you.

There will be a brief but vitally important meeting for all Solo and Duet vocalists at recess. Mr. Goring would like to meet with Hailey, Aditya, Kaylee, Aarya, Liyanna, Stephanie, Thea, Nina, and Cassandra, Rachel and Ava.

Reminder steam ambassadors are meeting for their challenge at 2:20 in the studio

All student voice club members meet Ms. Pitman in the foyer at NUT BREAK today for a brief message.
